

Host

Design by Simon Pengelly

Host is a standalone table for use as a laptop support or work surface and is proportioned accordingly with a weighted stable base and elegant column. The top and base is made of Aluminium making the product 100% recyclable.

HLT2

Design Simon Pengelly

British Designer Simon Pengelly founded London based Pengelly Design in 1993 after working for the Conran Design Group and the in-house design team of Habitat.

Pengelly Design Ltd now collaborates globally with the most progressive design-led companies working within the realm of transport and product design, lighting and interior design in addition to furniture design.
