

Conic

Design by PearsonLloyd

Conic is a refreshing, eye catching and exciting take on various conical forms used in both contemporary and previously explored areas of soft seating over the decades. Conic's shape and form provide excellent and inviting levels of comfort with an almost domestic appeal.

The range comprises of three versions including low lounge chairs and a more compact, higher tub variant, all of which are complemented by a family of low tables, for a myriad of uses and spaces.
